

# TIME TO MAKE A MYTHICAL MASK!

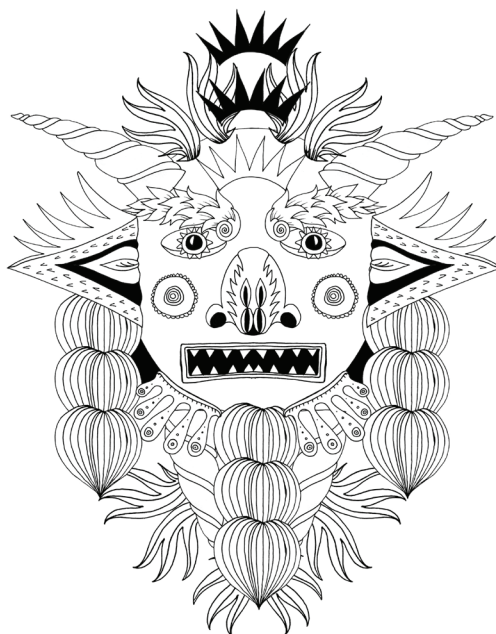

1. PRINT OUT THE ELEMENTS WITH MULTIPLES IF NEEDED
2. CUT ROUND THE SHAPES
3. COLOUR IN THE SECTIONS
4. STICK ELEMENTS TO MASK BASE (PVA OR GLUE STICK)
5. ATTACH RIBBONS OR ELASTIC
6. TA DA ! YOU ARE DONE !

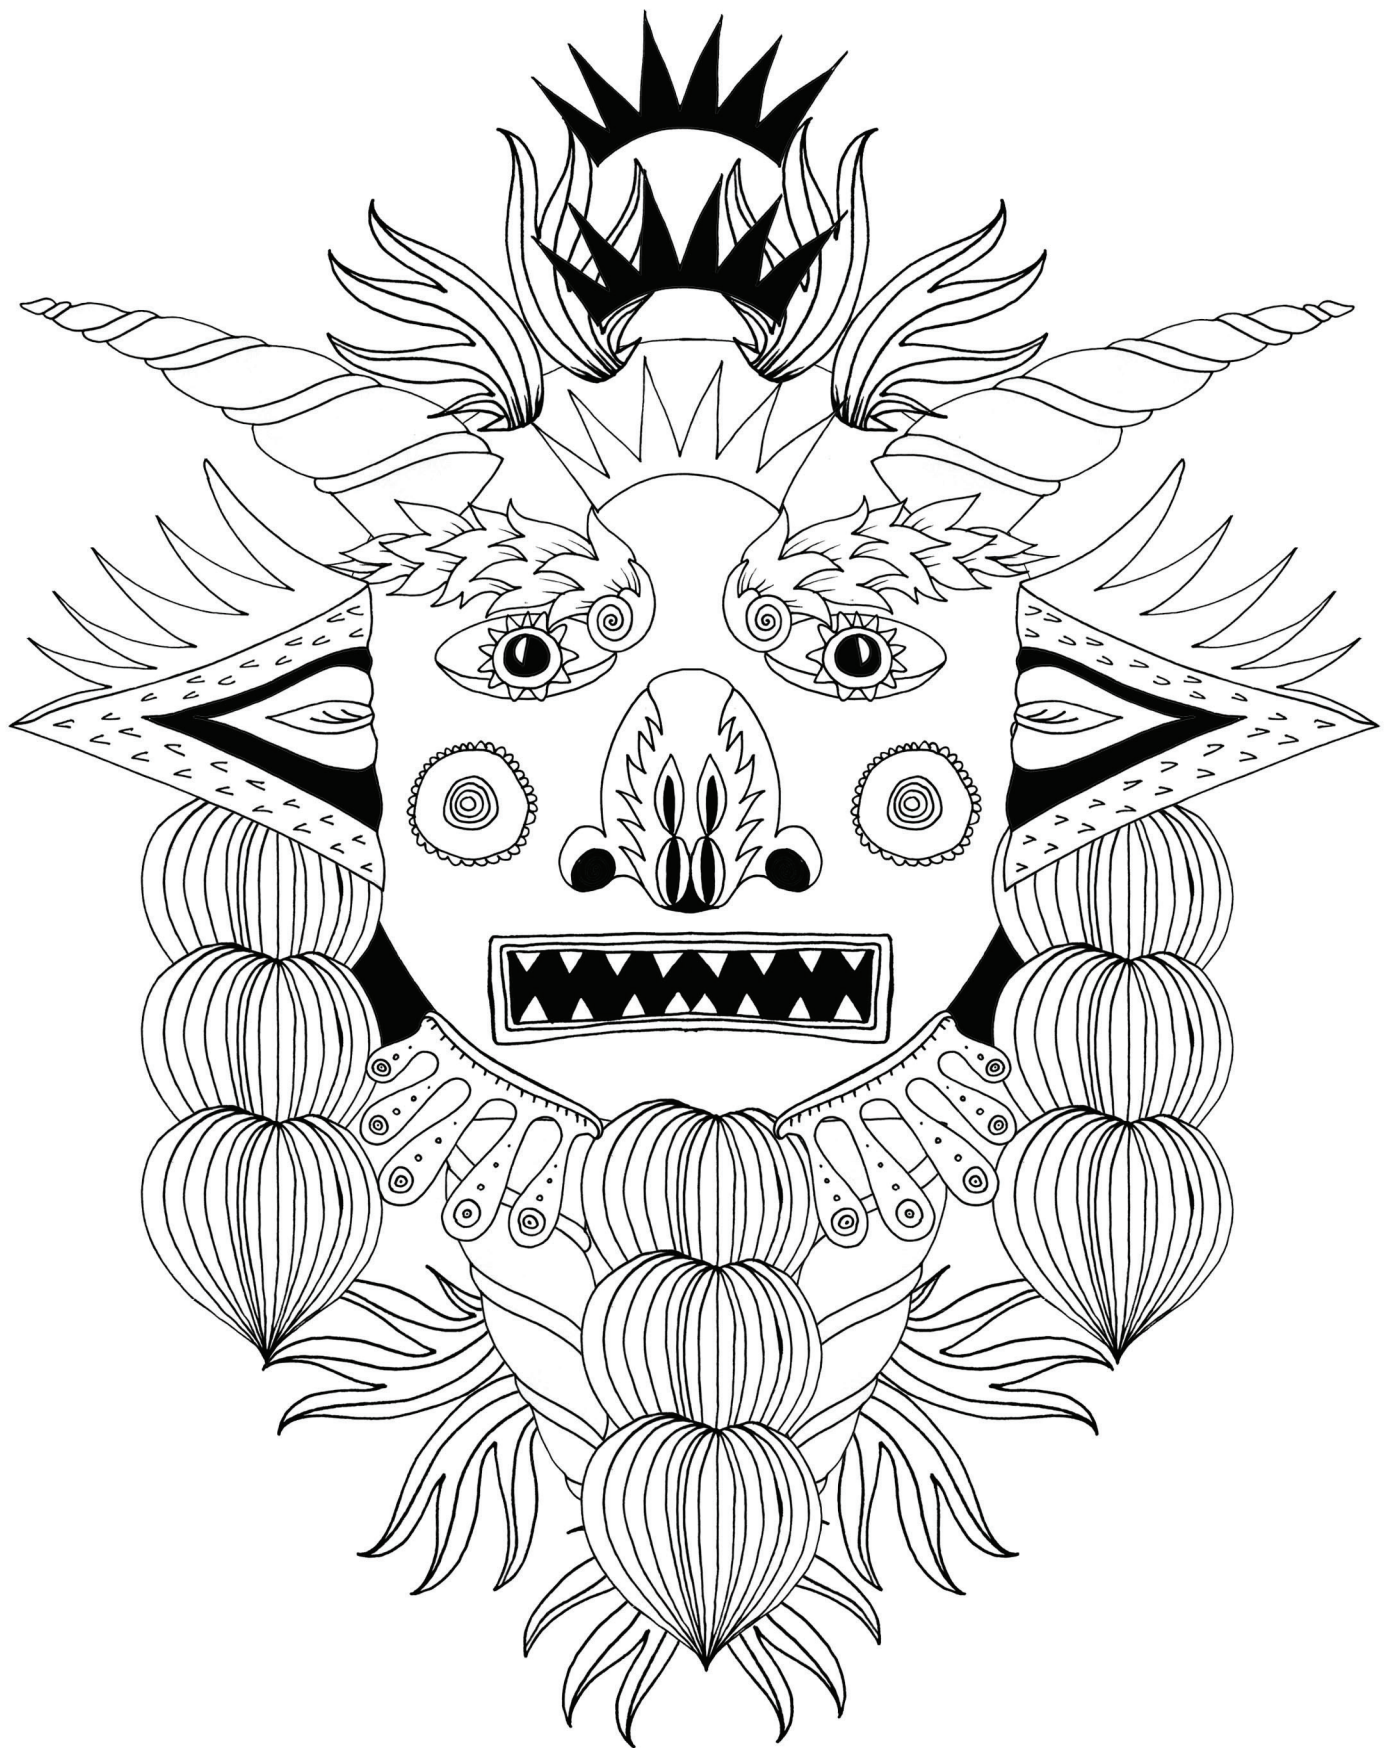

## SOME TIPS:

WE WOULD RECOMEND USING A THICKER CARDBOARD FOR YOUR BASE LAYER AT LEAST.

YOU CAN USE A LIGHTER WEIGHT PAPER FOR THE ELEMENTS BUT THE THICKER THE PAPER THE STURDIER THE MASK

YOU CAN ADD FEATHERS, POMPOMS, GLITTER OR PIPE CLEANERS FOR EXTRA DETAIL AND FUN :)
