

Amelia Earhart

the explorer who didn't want to
be held back by anything

TODAY I AM... someone who likes to explore and be adventurous.

Inspired by the fearless explorer (who never took no for an answer), [Amelia Earhart](#), your adventurous challenge is to:

- * decide where you would most like to go on an adventure
- * what would you need to prepare?
- * draw a map that illustrates your journey, featuring your preferred way to travel, what you might see along the way and who you might meet
- * decide on your medium – photography, painting, collage
- * be creative and show the world who you are!

Notes

“Whether it was considered the thing to do or not was irrelevant. As a little girl I had explored the fearsome caves in the cliffs, I had invented a trap and caught a chicken, I had jumped over a fence that no boy my age had dared to jump, and I knew there was more fun and excitement in life than I would have time to enjoy.”
