

Observation Deck

Wow! What glitter! What sparkle! The exit pipe from the Boiler Room is a secret entrance to the Observation Deck. Did you ever see anything so beautiful?

Look through the world's biggest windows at the city lights twinkling like stars. Marvel at the fountains pouring from towering statues. Wait! It's getting late! There's no time to gaze at the views. Mr X has found the lift to the Grand Ballroom. And the maze through the swimming pools is one of the hardest yet ...
