

Confrontation at the Top

At the top of the stairs, the door opens and ... Whoa! You are standing on the edge of the roof! The people below are the size of ants. Snow is falling, hot-air balloons drift by and the Maze Cube bathes everything in its golden light.

Mazey has dashed ahead and is hanging on to Mr X's cloak to slow him down. It is nearly midnight and there is one final maze to solve. Quickly! Find your way to the top. You must get to the Maze Cube first ...

Secret Agent's Offer

You saved me in the Boiler Room! Now I'm wearing a blue-and-white shirt to show I'm on your side. Find me, and I will fight off all the other henchmen.

Request from the Pilot

I can fly my plane in this snow, as I want to deliver a hot-air balloon. Show me the way from my green plane to the balloons launch pad, so that I can get the detectives home in time for Christmas.

The New Maze Times VOL.5 Santa sighted over New Maze City

Young maze adventurer Carmen has sent us an amazing Christmas message. She claims to have seen Santa and his sleigh from the roof of New Maze Tower. Can anyone confirm her report?
