

## INTRODUCTIONS TO ACCOMPANY TEMPLATES FROM: *Technical Drawing for Fashion* by Basia Szkutnicka

The following basic figure and garment templates are taken from the book. You can print them out and use them as basic building blocks for your hand-rendered technical drawings.

### FIGURE TEMPLATES

#### 1. Generic figure template

You can use this generic full-size figure template as a basis for producing your technical drawings. To create a more visually appealing silhouette, the body has been elongated through the lower section into a figure measuring eight heads.

#### 2. Teenage and plus-size figure template

Knowledge of the differences in markets and body shapes is necessary in order for you to create aesthetically pleasing templates for those markets. You can use this teenage figure template for other markets such as the Asian market, where smaller body frames are indigenous. The plus-size figure template can be used instead of the generic template (which is too narrow) for the plus-size market.

### GARMENT TEMPLATES

The following templates are a selection of key shapes and garments for womenswear. They represent the most familiar basic, classic styles and details that can be adapted and integrated into your own design ideas.

3. Fitted dress/tube/sheath (page 64)
4. Shift dress/tank/chemise (page 66)
5. A-line dress (page 68)
6. Pencil skirt/fitted skirt/sheath (page 76)
7. Straight skirt (page 78)
8. A-line skirt (page 81)
9. Circular/full circle skirt (page 82)
10. Gathered skirt (page 84)
11. Pleated skirt (page 86)
12. Legging (page 92)
13. Drainpipe/skinny/cigarette pant/stovepipe (page 94)
14. Straight trouser (page 96)
15. Tapered trouser (page 98)

16. Bellbottom/flare (page 100)
17. Camisole/strappy vest (page 112)
18. Vest/tank top (page 114)
19. Tunic (page 116)
20. T-shirt/tee (page 118)
21. Shirt (page 120)
22. Classic single-breasted jacket (page 128)
23. Classic double-breasted jacket (page 130)
24. Casual/unstructured jacket (page 132)
25. Classic single-breasted coat (page 140)
26. Classic double-breasted coat (page 142)
27. Casual/unstructured coat (page 144)
