6 INTRODUCTION

15 About this book

16 MEDIA

18 Introduction

19 Line

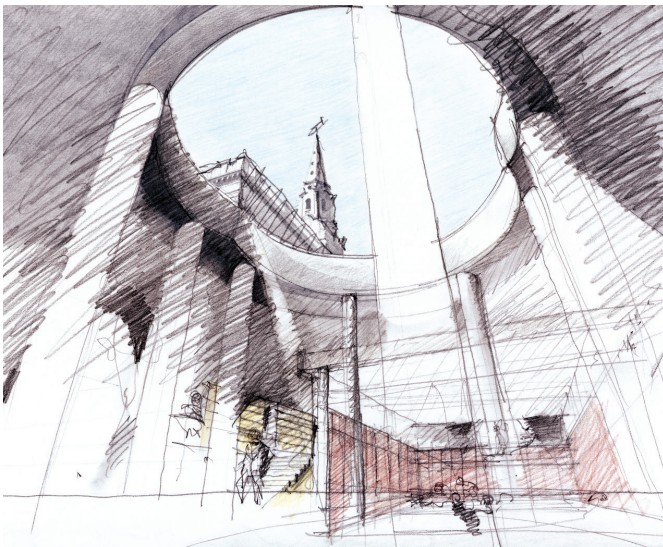

- 20 Case studies
- 28 Step by step: Pencil
- 30 Step by step: Charcoal
- 31 Step by step: Charcoal and Photoshop
- 32 Step by step: Ink
- 33 Step by step: Ink and Photoshop
- 34 Step by step: Monoprints
- 35 Step by step: Photoshop
- 36 Step by step: Line work in Photoshop

42 Render

- 44 Case studies
- 50 Step by step: Pencil crayon
- 52 Step by step: Charcoal
- 54 Step by step: Watercolour interior sketch
- 56 Step by step: Photoshop: Finishing a computer-generated image (CGI)
- 62 Step by step: Photoshop: Creating shadows for people
- 63 Step by step: Photoshop: Colour-correcting a photograph
- 66 Step by step: AutoCAD to 3ds Max

72 Mixed Media

- 74 Case studies
- 76 Step by step: Collage
- 78 Step by step: Monoprinting
- 80 Step by step: Linocut
- 84 Step by step: Press print
- 86 Step by step: Screen-printing with paper stencils
- 88 Step by step: Model/computer collage
- 91 Step by step: Taking a collage from two to three dimensions

92 TYPES

94 Introduction

96 Sketches

98 Case studies

102 Diagrams

106 Plans

108 Case studies

112 Step by step: Graphic outputs in SketchUp

114 Step by step: Editing SketchUp's graphic outputs in Photoshop

116 Sections and elevations

118 Case studies

122 Axonometric and isometric projections

124 Case studies

130 Step by step: Using simple conventions

132 Perspectives

134 Case studies

138 Step by step: Drawing a one-point perspective

140 Step by step: Drawing a two-point perspective

142 Step by step: Making rapid perspective sketches by hand

144 Step by step: Correcting perspective distortion

146 Step by step: Creating a lathe model

148 Step by step: Creating a loft model

150 Step by step: Polygon model editing

154 Step by step: Solid model editing

156 Step by step: Creating a spline surface model

158 Step by step: Using After Effects for animation

168 PLACES

170 Introduction

170 Interiors

172 Case studies

174 Step by step: Lighting an interior using 3ds Max and V-Ray

176 Landscapes

178 Case studies

182 Step by step: Digital painting: Landscape in watercolour and Photoshop

183 Step by step: Creating an exterior scene in Photoshop

188 Urban settings

190 Case studies

194 Step by step: Creating a photomontage

196 Step by step: Using photomontage as part of the design process

198 Step by step: Digital process

202 Glossary

203 Further reading

204 Index

207 Picture credits
